

The Bozeman American Legion Baseball program is a parent-run organization with no paid employees other than essential coaching staff. While parents pay considerable fees for their sons to participate, the cost of running the program exceeds the amount generated through players fees, ticket sales and concessions. Our fundraising goal for the 2017 is to raise \$200,000 to fund team travel expenses, baseballs, facility and field maintenance, coaching and umpire costs. Your consideration in becoming a sponsor and your financial support of Legion Baseball is vital to keeping our organization available for current and future generations. 100% of your contribution goes to support a player. Check us out online at www.bozemanlegionbaseball.com. See you at the ballpark!

Bucks
BASEBALL

The Bozeman American Legion Baseball program is set to kick off its 2017 season and excitement is in the air. Each new season brings afternoons and evenings at our beautiful ballpark that some say is the best in the state. And this new season brings a new coaching staff. We are excited to introduce our new director of baseball operations, Rich Poliquin.

Coach P. comes to Bozeman Legion Ball after several winning seasons with the Bitterroot Red Sox. The Red Sox A team won District, State and Regional titles in 2015 and 2016. He was assistant varsity head coach at a 5A high school and coached club ball in Arizona.

Coach P. played high school ball in California where his team played in

the state finals at Dodger Stadium. He played college ball at Cerritos Junior College in California and at Connors State College in Oklahoma, where an injury cut short his pitching career. Coach P. looks forward to the coming successes of the Bucks program.

American Legion Baseball is the only organization in Bozeman that sponsors highly competitive and organized baseball for high-school aged boys. The program gives back to the community by bringing teams, their families and fans from across the state to Bozeman. Our ballpark hosts over 40 regular season games, as well as in-season and post-season tournaments. In July, we are hosting the AA State Tournament at our own Legion Field at Heroes Park.
