

The Bozeman American Legion Baseball program is a parent-run organization with no paid employees other than essential coaching staff. While parents pay considerable fees for their sons to participate, the cost of running the program exceeds the amount generated through players fees, ticket sales and concessions. Our fundraising goal for the 2018 is to raise \$200,000 to fund team travel expenses, baseballs, facility and field maintenance, coaching and umpire costs. Your consideration in becoming a sponsor and your financial support of Legion Baseball is vital to keeping our organization available for current and future generations. 100% of your contribution goes to support a player. Check us out online at www.bozemanlegionbaseball.com. See you at the ballpark!

Bucks
BASEBALL

The Bozeman American Legion Baseball program is set to kick off its 2018 season and excitement is in the air. Each new season brings afternoons and evenings at our beautiful ballpark that some say is the best in the state. And this new season brings a new coaching staff. We are excited to introduce our new director of baseball operations, Garrett Schultz.

Coach Garrett Schultz takes over as the 2018 Director and Head Coach of Bozeman Legion Baseball. Schultz was part of last year's program-wide success, where he led the Bucks "A" squad to a much improved 4th place conference and district finish. Schultz previously served as the head coach in Belgrade, where his squad won a conference and

district championship. He also served as an assistant coach in Gillette, WY, where he helped the team reach a 2014 State Championship.

Schultz caught for two years for NAIA College of Idaho, as well as one season in the Boise Collegiate Summer League. He is a local Belgrade MT product, playing his legion career for the Bandits. He currently lives in Bozeman with his wife Jessica, and sons Weston, Cannon and Kayson.

American Legion Baseball is the only organization in Bozeman that sponsors highly competitive and organized baseball for high-school aged boys. The program gives back to the community by bringing teams, their families and fans from across the state to Bozeman. Our ballpark hosts over 40 regular season games, as well as in-season and post-season tournaments.
