

Bozeman American Legion Post 14 Baseball is a volunteer-run organization with no paid employees other than coaching staff. While players fundraise considerable fees to participate, the cost of running the program exceeds the amount generated through players fees, ticket sales and concessions. Our fundraising goal for the 2022 season is to raise \$350,000 to fund team travel expenses, equipment, facility and field maintenance, coaching and umpire costs. Your consideration in becoming a sponsor and your financial support of Legion Baseball is vital to keeping our organization available for current and future generations. 100% of your contribution goes to support a player. Check us out online at www.bozemanlegionbaseball.com. See you at the ballpark!

Coach Sean Potkay enters his first season as the Head Coach of the Program. Potkay is no stranger to the Bucks, as both a former player and assistant coach, he has been a key member of all 3 of the Bucks State Championship runs. As a player, Potkay was a junior when the Bucks won the Program's first ever state title in 2007. As an assistant coach with the AA program the last four seasons, he helped cultivate the Bucks offense as they won their second and third championships in 2019 and 2020. Potkay takes great pride in the program and helping the players reach their goals on the field, using the game of baseball to instill character traits necessary to be successful on the field, and in life.

The Bucks program has continued to grow in recent years thanks to the incredible support of the Bozeman community. In 2021, the Bucks added a fourth team ("C" Team) to the Program, giving even more players the opportunity to grow as a Buck. In 2022, the Bucks look forward to the completion of their new Indoor Hitting Facility. The 8,640 sq ft Facility will house 6 retractable batting cages for year-round use by both the Bucks and younger future Bucks. We thank you for your continued support of Bozeman Legion Baseball and hope to see you down at Heroes Park in 2022.
