Bucks Head Coach: Mitch Messer

Coach Messer played American Legion baseball in Rapid City, South Dakota from 1993-1997. Rapid City won state and regional championships in 1995 & 1996 earning back to back trips to the American Legion World Series. In the spring of 1998 Mitch played left field for South Dakota State. In the fall of 1998 he transferred to Southwestern Community College in Creston, Iowa who made it to their first conference championship game. Mitch finished his collegiate career at Augustana College in Sioux Falls, SD where he earned a bachelor's degree in Sports Management.

In the spring of 2001, he coached the junior varsity Post 15 East team in Sioux Falls, SD where they finished state runner-up. In the spring of 2002, he coached the Sioux Falls O'Gorman High School team to their first state tournament appearance. In the fall of 2002 Mitch was chosen by the Bitterroot Bucs as their Manager for the 2003 and 2004 seasons. They won a record-breaking 50 games and finished second at the State A American Legion baseball

tournament in 2003. During the fall seasons of 2003-2005, he has also served as an assistant coach for the Big Sky Baseball team. He and his wife Jacey have recently moved to Bozeman where Jacey will be practicing as an attorney. Mitch is planning on attending MSU in the fall to earn his Master's degree in Health Promotion and Education.

Bucks Assistant Coach: Ryan Johnerson

Coach Johnerson is a native of Bozeman and played his American Legion Baseball for the Bucks from 1990-1995. Ryan went on to play for Trinidad State Junior College as a middle infielder from 1995-1997, winning two Region IX titles. While attending Trinidad he was named an Academic All-American and Scholar Athlete of the Year in 1997. During the summer after his sophomore year Ryan played in Central America, enjoying the countries of Nicaragua and Costa Rica. Ryan's next stop was the University of Utah, a Division I school in the WAC Conference, at the time. In 1999, Ryan was a finalist for WAC Player of the Year. He was also a graduate, graduating in Commercial Recreation and Tourism with an emphasis in Business Management. In June of 1999, he signed with the Cincinnati Reds Organization. In his time with the organization Ryan played for the Billings Mustangs, the Gulf Coast Reds, and the Clinton Lumber Kings. Ryan also made a brief stint in the Seattle Mariners Scout League in Southern California. Ryan's last baseball adventure took him back to Central America as a player/coach in 2004, enjoying Nicaragua, Guatemala, and the island of Curacao in the Caribbean.

Throughout Ryan's post Bucks playing career, he has continued to be a part of Bozeman Buck Baseball, nearly covering a decade. Also included in those years Ryan was an assistant coach for Big Sky Baseball in 2001, and an assistant coach at Midland Junior College, winning a Conference Title in 2002.

Ryan is married to his beautiful wife Leah, whom he met in Midland, TX and has three great kids, Caleb, Kayla and Autumn.

Bucks Assistant Coach: Matt Barefield

Coach Barefield played American Legion baseball in

Belgrade and Bozeman (playing for the Bucks his senior year). Matt then played baseball for Trinidad State Junior College in 1999 and was a member of the pitching staff. An arm injury sidelined him for his sophomore year, and he returned to Bozeman to attend Montana State University.

Still wanting to play baseball, Matt ventured to Dawson Community College and Morningside College where he was able to pitch for a spring and fall semester. Another shoulder injury allowed him to make the decision to return to Bozeman to finish school and start his career.

Matt currently teaches 8th grade at Sacajawea Middle School in Bozeman and is a coach for the Bridger Ski Foundation Freestyle Team. Baseball coaching experiences before becoming the pitching coach for Bozeman Baseball include:

- 2 years at the Babe Ruth level where Matt's team won a city championship; and
- 2 years as the pitching coach for the Gallatin Valley Outlaws. While coaching there the Outlaws won a state championship and a second place at regionals in 2005; and a 3rd place finish at state in 2006.

DEFINITION OF "INJURY"

An "Injury" is bodily damage or harm caused by an unintended and unforeseen accident, suffered by a person while an Insured, to which any of the following conditions apply:

CONDITIONS: Such Injury occurs:

- (a) while the Insured is participating under the supervision of the proper authorities of the team in any approved baseball activity of the team; or

- (e) while the Insured, as a member of the National Championship Team, is traveling to, during the course of a visit to or while returning from the World Series of Baseball.

The contracting of disease is not an Injury.

SPECIFIC LOSS COVERAGE

The Company will pay the benefit shown below upon receipt of due proof that:

- (a) an Insured has sustained an Injury or loss of the type listed below within 365 days after suffering an Injury; and
- (b) such Injury or loss resulted directly and independently of all other causes.

TYPE OF LOSS

BENEFIT

Life	The Principal Sum
Both hands or both feet or sight of both eyes.	The Principal Sum
One hand and one foot	50% of The Principal Sum
Either hand or foot and sight of one eye.	50% of The Principal Sum

Loss of a hand or foot is actual severance through or above the wrist or ankle joint. Loss of an eye is the entire and irrecoverable loss of sight of the eye.	

The total benefits payable if an Insured suffers more than one such loss from one accident will not exceed The Principal Sum.

The death of an Insured will be presumed if, under such circumstances as would otherwise be covered hereunder, he is traveling in a conveyance which disappears, sinks or is wrecked and is not found within a reasonable time thereafter.

MEDICAL EXPENSE

The Company will pay the Medical Expenses of an Insured, but not in excess of the Expense Limit, upon receipt of proof that:

- (a) Medical Expenses were incurred directly as a result from an Injury; and
- (b) Medical Expenses were incurred independently of all other causes; and
- (c) The Medical Expenses are incurred within three years after the date of the accident.

The Expense Limit amounts are shown in Schedule 1.

"Medical Expenses" are the Reasonable Charges, which an Insured is required to pay for:

- (a) treatment by a legally qualified Physician, surgeon, physical therapist or dentist in any setting. The maximum benefit is: \$60 for the first visit; \$50 for each subsequent visit;
- (b) in- or out-patient care in a duly licensed hospital, except as noted above (a). The maximum benefit for hospital room and board is \$100 per day;
- (c) Ambulatory Surgical Center services except as noted above (a);

- (i) rental or purchase, at the Company's option, of wheelchair, hospital-type bed, oxygen and related respiratory equipment.

8. PAYMENT OF CLAIMS:

- (a)** Indemnity for loss of life will be paid to the estate of the Insured. All other indemnities will be paid to the Insured.
- (b)** If we owe payment based on our obligations under this policy to the estate of the Insured, or if the insured is a minor or not competent to give release to pay someone else, we may pay any relative or legal guardian of the Insured who is deemed by the Company to be equitably entitled thereto. Any payment made in good faith under this provision will reduce the benefits of this policy by the amount of such payment. The Company will be fully discharged from liability equal to such payment.
- (c)** At the Insured's request, the Company may pay all or part of the benefits the Policy provides to the hospital or person who performed the medical services. It is not required that the services be rendered by a particular hospital or person.

- 9. PHYSICAL EXAMINATIONS AND AUTOPSY:** The Company, at its own expense, has the right to examine the Insured as often as reasonably required during the pendency of a claim and to make an autopsy in case of death where it is not forbidden by law.
- 10. LEGAL ACTIONS:** No legal or equitable action to recover under the policy may be brought within 60 days after written proof of loss has been furnished as the policy requires. No such action may be brought after three years from the time written proof of loss is required to be furnished.
- 11. CONFORMITY WITH STATE STATUTES:** On the date the policy becomes effective, any provisions which do not conform to the statutes of the state in which the policy is issued, are amended to meet the state's minimum requirements.
- 12. ASSIGNMENT:** No assignment of any present or future right, interest or benefit under the policy will bind the Company without its written consent except as provided in section 8(c) "Payment of Claims". The Company does not assume any responsibility for the validity or sufficiency of any assignment.

DEFINITIONS

Reasonable Charges: The prevailing charge for a given medical procedure in a specific geographical area, including but not limited to a county (or similar district) or ZIP code area, as appropriate. The Company will base its determination of Reasonable Charges at no lower than the [80th-95th] percentile of the fees and prices charged for the services and procedures rendered, within the geographic area where the service was rendered. Claims will be reviewed for billing errors such as incorrect or inappropriately billed charges, excessive billing or overbilling, incomplete or undocumented charges, duplicate billing, unbundling of services or billing with generic or temporary codes. Charges may be adjusted should billing errors be detected on a claim.

Ambulatory Surgical Facility – Any public or private establishment which:

1. Is licensed as an ambulatory surgical facility according to law;
2. Has permanent facilities that are equipped and operated mainly for the purpose of performing surgical procedures;
3. Provides continuous services of Physicians and registered nurses, whenever a patient is in the facility; and
4. Does not provide services or other accommodations for patients to stay overnight.

Necessary Treatment: Treatment which is considered medically necessary. The Company will determine if and to what extent the charges for a particular service or supply is necessary treatment. In doing so, the Company will consider if the treatment is:

1. Consistent with approved and generally accepted medical, surgical or dental practice for the covered Injury of the Insured;
2. Accepted as safe, effective and reliable by a medical specialty or board recognized by the American Board of Medical Specialties; and
3. Not Experimental or investigational treatment.

Appropriate authoritative medical, surgical or dental practitioners may be consulted in the determination of “approved and generally accepted medical, surgical or dental practice” in 1. above.

The fact that a Physician may prescribe, order, recommend or approve a service or supply does not, of itself, make the service or supply a Necessary Treatment.

If services do not meet the criteria above or are not consistent with professionally recognized standards of care with respect to quality, frequency or duration, such services will not be deemed Necessary Treatment.

Experimental Treatment: Treatment not recognized by a majority of Physicians in the United States; received in a facility not recognized as being able to properly perform the treatment; or not considered to be effective for the Injury. The decision will be based on information and positions developed by the American Medical Association, Federal Drug Administration, Council of Medical Specialty Societies, National Institute of Health, State Medical Associations, or other similar organizations in the United States.

Legend Drugs: Drugs labeled “Caution: Federal Law Prohibits Dispensing Without a Prescription.”

Physician: Practitioner of the healing arts, performing within the scope of his or her license and recognized by the laws of the state where he or she practices. This does not include acupuncturists, Christian Scientists, faith healers, massage therapists, naturopaths and other types of non-traditional physicians or practitioners.

LIMITATIONS AND EXCLUSIONS

Under Plan II, the number of games played during the off season may not exceed 50% of the games played during the regular season.

The Policy does not cover any: (1) Injury or loss incurred for dental treatment (except as a result of Injury to sound, natural teeth); (2) services or treatment rendered by a Physician, nurse or any other person retained by the team; (3) Injury or loss caused by war or act of war; (4) Injury or loss sustained by an insured person while in military service; (5) Injury or loss covered by any other valid and collectible insurance or self-funded plan such as: individual and family type insurance coverage; group, blanket or franchise insurance; Blue Cross, Blue Shield, group practice or other pre-payment coverage; labor-management plans, or employee benefit organization plans; Workers' Compensation Law, Occupational Disease Law or any similar legislation; Medicare; or “No-Fault” auto legislation, where applicable; (6) Injury or death caused by or contributed to by the use of alcohol by the Insured; (7) the use or misuse of drugs, medicines or narcotics by the Insured, unless taken in the dosage and for the purpose prescribed by the Insured Person's Physician; (8) Injury caused to an Insured Person in the commission of a felony by that same Insured Person; (9) treatment that is not Necessary Treatment; (10) activities not authorized by the state baseball committee including, but not limited to, unscheduled games, postseason tryouts and unauthorized tournaments; (11) replacement of eye glasses, contact lenses or hearing aids.

Exclusion (5) does not apply to Specific Loss Coverage.

GENERAL PROVISIONS

TERMINATION

Insurance will terminate on the first to occur:

- (a) on the date the policy is terminated; or
- (b) on the date an Insured ceases to be associated with the Policyholder.

POLICY ADMINISTRATION

1. Clerical error (whether by the Policyholder or by the Company), in keeping any records pertaining to the insurance will not invalidate insurance otherwise validly in force, or continue insurance otherwise validly terminated.
2. If any relevant facts pertaining to any individual's insurance are found to have been misstated, an equitable adjustment of the premiums will be made. If such misstatement affects the existence of the amount of insurance, the true facts will be used in determining whether insurance is in force under the terms of the Policy and in what amount.
3. The Special Risk Accident Policy is in the possession of the Policyholder. It may be inspected by the Insured at any time during business hours at the office of the Policyholder.

CONTRACT CHANGES

The policy may be changed from time to time by written agreement between the Company and the Policyholder. No changes in the policy will be valid unless approved by an executive officer of the Company and unless such approval be endorsed hereon or attached hereto. No agent can change the policy or waive any of its provisions.

PAYMENTS OF BENEFITS

1. TIME LIMIT OF CERTAIN DEFENSES:
 - (a) No misstatements, except fraudulent misstatements made by an Insured in the application, if any, may be used to void the policy or to deny a claim for loss incurred with respect to such Insured after the insurance has been in force for two years.
 - (b) No claim for loss incurred commencing after two years from the Insured's effective date will be reduced or denied on the ground that a disease or physical condition, not excluded from coverage on the date of loss, had existed prior to the Insured's effective date.
2. STATEMENTS BY INSURED: A copy of the application, if any, of each Insured will be attached to the policy when issued. No statement made by an Insured will void the insurance or reduce benefits unless contained in a written instrument signed by the Insured. All such statements will be deemed representations and not warranties.
3. NOTICE OF CLAIM: Written notice of claim must be given to the Company within 20 days after the covered loss occurs or begins, or as soon as is reasonably possible. Notice given by or on behalf of the Insured to the Company or to any authorized agent of the Company will be deemed notice to the Company. The notice should include information sufficient to identify the Insured.
4. CLAIM FORMS: When the Company receives notice of a claim, forms will be sent for filing proof of loss. If the forms are not sent within 15 days, the proof of loss requirement will be met if, within 90 days after the loss the Company is provided with a written statement indicating the nature and extent of the loss.
5. PROOFS OF LOSS: Written proof of loss must be furnished to the Company within 90 days. Failure to furnish such proof within the time required will not invalidate or reduce any claim if it was not reasonably possible to give proof within such time. In any event, the Company must receive proof within one year after it is due unless the Insured is legally incapable of doing so.
6. BENEFICIARY: The beneficiary is the estate of the Insured.
7. TIME OF PAYMENT OF CLAIMS: Indemnities (also referred to in the policy as "Benefits") will be paid immediately upon receipt of due written proof of such loss.

- We will pay those sums that the Insured becomes legally obligated to pay as damages because of "bodily injury" to any "participant" to which this insurance applies. We will have the right and duty to defend the Insured against any "suit" seeking those damages. However, we will have no duty to defend the Insured against any "suit" seeking damages for "bodily injury" to which this insurance does not apply. We may, at our discretion, investigate any "occurrence" and settle any claim or "suit" that may result.

But:

- The amount we will pay for damages is limited as described in Section C., Limits of Insurance in this endorsement;
- Our right and duty to defend end when we have used up the applicable Limit of Insurance in the payment of judgments or settlements; and
- No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for in this endorsement.

- This insurance applies to "bodily injury" only if:

- The "bodily injury" is caused by an "occurrence" that takes place in the "coverage territory"; and
- The "Bodily Injury" Occurs During The Policy Period.

- Damages because of "bodily injury" include damages claimed by any person or organization for care, loss of services or death resulting at any time from the "bodily injury."

2. Exclusions.

This insurance does not apply to:

- "Bodily Injury" that is excluded under **SECTION I—COVERAGES, COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY, subsection 2. Exclusions.** Paragraphs a., b., c., d., e., f., g., h., i., and o.

C. SECTION III—LIMITS OF INSURANCE, Paragraph 2 is replaced by the following:

2. The General Aggregate Limit is the most we will pay for the sum of:

- a. Medical Expenses under Coverage C;**
- b. Damages under Coverage A, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard";**
- c. Damages under Coverage B; and**
- d. Damages under Coverage—Liability To "Participants."**

Subject to 2. above, the Liability to "Participants" Limit shown in the Declarations is the most we will pay for the sum of all damages under Coverage—Liability To "Participants" because of all "bodily injury" to "participants" arising out of any one "occurrence."

D. Conditions

For purposes of this endorsement, all of the provisions within **SECTION IV—COMMERCIAL GENERAL LIABILITY CONDITIONS** are incorporated herein by reference and apply to this endorsement except to the extent any conditions below differ.

A. You must see to it that "participant accident insurance" is in force and effect for each "participant" at the time of any occurrence giving rise to a claim or "suit" under this policy.

E. Definitions

For purposes of this endorsement, all of the provisions within **SECTION V—DEFINITIONS** incorporated herein by reference and apply to this endorsement except to the extent any definitions below differ.

a. "Participant" means:

"Players", coaches, managers, staff members, team workers, officials, who have been granted proper authorization to enter any "restricted area".

b. "Player" is defined as a Amateur baseball player, whether or not registered with the Named Insured while participating in "covered activities" as defined by the policy.

c. "Covered activities" means: Baseball operations and activities that are scheduled, sanctioned, approved, organized, and supervised by the insured that includes tryouts, practices, clinics, operation of concession stands at covered activities, games, tournaments, fund raising drives, field maintenance, parades in which the covered team participates, awards banquets, and ceremonies.

- (a) an Insured has sustained an Injury or loss of the type listed below within 365 days after suffering an Injury; and

TYPE OF LOSS

The death of an Insured will be presumed if, under such circumstances as would otherwise be covered hereunder, he is traveling in a conveyance which disappears, sinks or is wrecked and is not found within a reasonable time thereafter.

MEDICAL EXPENSE

The Company will pay the Medical Expenses of an Insured, but not in excess of the Expense Limit, upon receipt of proof that:

- (a) Medical Expenses were incurred directly as a result from an Injury; and
- (b) Medical Expenses were incurred independently of all other causes; and

8. PAYMENT OF CLAIMS:

- (a)** Indemnity for loss of life will be paid to the estate of the Insured. All other indemnities will be paid to the Insured.
 - (b)** If we owe payment based on our obligations under this policy to the estate of the Insured, or if the insured is a minor or not competent to give release to pay someone else, we may pay any relative or legal guardian of the Insured who is deemed by the Company to be equitably entitled thereto. Any payment made in good faith under this provision will reduce the benefits of this policy by the amount of such payment. The Company will be fully discharged from liability equal to such payment.
 - (c)** At the Insured's request, the Company may pay all or part of the benefits the Policy provides to the hospital or person who performed the medical services. It is not required that the services be rendered by a particular hospital or person.
- 9. PHYSICAL EXAMINATIONS AND AUTOPSY:** The Company, at its own expense, has the right to examine the Insured as often as reasonably required during the pendency of a claim and to make an autopsy in case of death where it is not forbidden by law.
- 10. LEGAL ACTIONS:** No legal or equitable action to recover under the policy may be brought within 60 days after written proof of loss has been furnished as the policy requires. No such action may be brought after three years from the time written proof of loss is required to be furnished.
- 11. CONFORMITY WITH STATE STATUTES:** On the date the policy becomes effective, any provisions which do not conform to the statutes of the state in which the policy is issued, are amended to meet the state's minimum requirements.

ASSIGNMENT:** No assignment of any present or future right, interest or benefit under the policy will bind the Company without its written consent except as provided in section 8(c) "Payment of Claims". The Company does not assume any responsibility for the validity or sufficiency of any assignment.

DEFINITIONS

Reasonable Charges: The prevailing charge for a given medical procedure in a specific geographical area, including but not limited to a county (or similar district) or ZIP code area, as appropriate. The Company will base its determination of Reasonable Charges at no lower than the [80th-95th] percentile of the fees and prices charged for the services and procedures rendered, within the geographic area where the service was rendered. Claims will be reviewed for billing errors such as incorrect or inappropriately billed charges, excessive billing or overbilling, incomplete or undocumented charges, duplicate billing, unbundling of services or billing with generic or temporary codes. Charges may be adjusted should billing errors be detected on a claim.

Ambulatory Surgical Facility – Any public or private establishment which:

1. Is licensed as an ambulatory surgical facility according to law;
2. Has permanent facilities that are equipped and operated mainly for the purpose of performing surgical procedures;
3. Provides continuous services of Physicians and registered nurses, whenever a patient is in the facility; and
4. Does not provide services or other accommodations for patients to stay overnight.

Necessary Treatment: Treatment which is considered medically necessary. The Company will determine if and to what extent the charges for a particular service or supply is necessary treatment. In doing so, the Company will consider if the treatment is:

1. Consistent with approved and generally accepted medical, surgical or dental practice for the covered Injury of the Insured;
2. Accepted as safe, effective and reliable by a medical specialty or board recognized by the American Board of Medical Specialties; and
3. Not Experimental or investigational treatment.

Appropriate authoritative medical, surgical or dental practitioners may be consulted in the determination of “approved and generally accepted medical, surgical or dental practice” in 1. above.

The fact that a Physician may prescribe, order, recommend or approve a service or supply does not, of itself, make the service or supply a Necessary Treatment.

If services do not meet the criteria above or are not consistent with professionally recognized standards of care with respect to quality, frequency or duration, such services will not be deemed Necessary Treatment.

Experimental Treatment: Treatment not recognized by a majority of Physicians in the United States; received in a facility not recognized as being able to properly perform the treatment; or not considered to be effective for the Injury. The decision will be based on information and positions developed by the American Medical Association, Federal Drug Administration, Council of Medical Specialty Societies, National Institute of Health, State Medical Associations, or other similar organizations in the United States.

Legend Drugs: Drugs labeled “Caution: Federal Law Prohibits Dispensing Without a Prescription.”

Physician: Practitioner of the healing arts, performing within the scope of his or her license and recognized by the laws of the state where he or she practices. This does not include acupuncturists, Christian Scientists, faith healers, massage therapists, naturopaths and other types of non-traditional physicians or practitioners.

LIMITATIONS AND EXCLUSIONS

Under Plan II, the number of games played during the off season may not exceed 50% of the games played during the regular season.

The Policy does not cover any: (1) Injury or loss incurred for dental treatment (except as a result of Injury to sound, natural teeth); (2) services or treatment rendered by a Physician, nurse or any other person retained by the team; (3) Injury or loss caused by war or act of war; (4) Injury or loss sustained by an insured person while in military service; (5) Injury or loss covered by any other valid and collectible insurance or self-funded plan such as: individual and family type insurance coverage; group, blanket or franchise insurance; Blue Cross, Blue Shield, group practice or other pre-payment coverage; labor-management plans, or employee benefit organization plans; Workers' Compensation Law, Occupational Disease Law or any similar legislation; Medicare; or “No-Fault” auto legislation, where applicable; (6) Injury or death caused by or contributed to by the use of alcohol by the Insured; (7) the use or misuse of drugs, medicines or narcotics by the Insured, unless taken in the dosage and for the purpose prescribed by the Insured Person's Physician; (8) Injury caused to an Insured Person in the commission of a felony by that same Insured Person; (9) treatment that is not Necessary Treatment; (10) activities not authorized by the state baseball committee including, but not limited to, unscheduled games, postseason tryouts and unauthorized tournaments; (11) replacement of eye glasses, contact lenses or hearing aids.

Exclusion (5) does not apply to Specific Loss Coverage.

GENERAL PROVISIONS

TERMINATION

Insurance will terminate on the first to occur:

- (a) on the date the policy is terminated; or
- (b) on the date an Insured ceases to be associated with the Policyholder.

POLICY ADMINISTRATION

1. Clerical error (whether by the Policyholder or by the Company), in keeping any records pertaining to the insurance will not invalidate insurance otherwise validly in force, or continue insurance otherwise validly terminated.
2. If any relevant facts pertaining to any individual's insurance are found to have been misstated, an equitable adjustment of the premiums will be made. If such misstatement affects the existence of the amount of insurance, the true facts will be used in determining whether insurance is in force under the terms of the Policy and in what amount.
3. The Special Risk Accident Policy is in the possession of the Policyholder. It may be inspected by the Insured at any time during business hours at the office of the Policyholder.

CONTRACT CHANGES

The policy may be changed from time to time by written agreement between the Company and the Policyholder. No changes in the policy will be valid unless approved by an executive officer of the Company and unless such approval be endorsed hereon or attached hereto. No agent can change the policy or waive any of its provisions.

PAYMENTS OF BENEFITS

1. TIME LIMIT OF CERTAIN DEFENSES:
 - (a) No misstatements, except fraudulent misstatements made by an Insured in the application, if any, may be used to void the policy or to deny a claim for loss incurred with respect to such Insured after the insurance has been in force for two years.
 - (b) No claim for loss incurred commencing after two years from the Insured's effective date will be reduced or denied on the ground that a disease or physical condition, not excluded from coverage on the date of loss, had existed prior to the Insured's effective date.
2. STATEMENTS BY INSURED: A copy of the application, if any, of each Insured will be attached to the policy when issued. No statement made by an Insured will void the insurance or reduce benefits unless contained in a written instrument signed by the Insured. All such statements will be deemed representations and not warranties.
3. NOTICE OF CLAIM: Written notice of claim must be given to the Company within 20 days after the covered loss occurs or begins, or as soon as is reasonably possible. Notice given by or on behalf of the Insured to the Company or to any authorized agent of the Company will be deemed notice to the Company. The notice should include information sufficient to identify the Insured.
4. CLAIM FORMS: When the Company receives notice of a claim, forms will be sent for filing proof of loss. If the forms are not sent within 15 days, the proof of loss requirement will be met if, within 90 days after the loss the Company is provided with a written statement indicating the nature and extent of the loss.
5. PROOFS OF LOSS: Written proof of loss must be furnished to the Company within 90 days. Failure to furnish such proof within the time required will not invalidate or reduce any claim if it was not reasonably possible to give proof within such time. In any event, the Company must receive proof within one year after it is due unless the Insured is legally incapable of doing so.
6. BENEFICIARY: The beneficiary is the estate of the Insured.
7. TIME OF PAYMENT OF CLAIMS: Indemnities (also referred to in the policy as "Benefits") will be paid immediately upon receipt of due written proof of such loss.

Bozeman shortstop Bennett Hostetler hit .450 with 23 extra-base hits and led the Bucks in most offensive categories last year. The North Dakota State signee will try to help his team to a championship before heading to college.

Dave Legg says this Bucks squad might have the best chance at a championship in the past several years.

The key, as it is with many teams at all levels, will be pitching.

“I think we’re going to score runs — I don’t think we’ll have much trouble doing that,” the Bozeman manager said Saturday. “I don’t know if we really have a top guy (in the starting rotation), but we’ve got three or four that do a great job of pitching.”

Thomas Morris, DJ Perdaems and Adam Hubley figure to top the rotation, with Morgan Hostetler and a few others also seeing spot starts depending on matchups and scheduling.

Morris led the staff with 65 innings last summer, Hubley was close behind at 63, and Perdaems logged 46 2/3 despite battling injury. For a team that's confident its offense will be consistent, that's a lot of experience returning on the mound.

"We've got four or five guys that are going to see a lot of work," Legg said, "but for us to be successful this year, it's going to be the rest of the pitching staff to come in and do a good job. We've thrown some simulated games, they've seen live hitters and they're getting better every time we go out."

Tryouts and practice started in late February, and though there's always competition for spots, the Bucks do not have a large number of vacancies to fill.

Two of the key holes are left by up-the-middle regulars in second baseman Jenner Kearns and center fielder Michael Guenther. While Legg will start with a rotation of three at second — Tyler Dobie, Austin Frandsen and Andy Purpura — center is more settled. That's where Bailey Paddock will roam most of the time, and Bozeman has four regulars to man the corners and occasionally spell the junior, according to Legg.

"Bailey is a great athlete," he added. "He can go get the ball and he's getting better all the time. ... Payton Price is a very good outfielder; he'll be out there as well. Payton and (Ryan) Evenson can play anywhere. We have a little more luxury there in the outfield."

Morgan Hostetler will play in right when he's not pitching. His older brother, however, will not be shuffled between positions. The plan for Bennett Hostetler, as it has been for several years, is that he'll play nearly every inning at shortstop.

Last summer, the senior led the team in batting average (.450), on-base percentage (.515), home runs (three), extra-base hits (23), and stolen bases (52) while striking out just 13 times in 237 plate appearances. He’s headed to North Dakota State in the fall, but first he’ll anchor the Bucks on both sides of the ball.

“That’s a huge help, especially for Dobie and Purpura, who are relatively young players and new to the Bucks,” Legg said. “To have a veteran shortstop to guide them along is a huge asset.”

Morris will start for Bozeman in Tuesday’s season opener against Belgrade, but Legg said his starters will be limited to about 50 pitches the first time through the rotation. Perdaems and Hubley are expected to see action against the Bandits, as well.

Legg also has three catchers at his disposal, with Frandsen and Jake Murfitt returning and Jake Buck moving up from the Spikes.

Legg said the team has been outside as much as possible as it prepares for the season, but they’re all itching to get going. They’ll be without Joel Thayer, a lineup regular once he recovered from an early-season injury last year, but also return eight of their top 10 hitters.

“I think with this team, my first year here we won 40 games and we had a chance to win the state championship,” Legg said. “Even though we’ve done well the last several years, this might be our best shot. It’s an exciting year and we’re looking forward to it for sure.”

Bucks open season with split against Helena

Bozeman senior DJ Perdaems bats in the first game of a double-header against the Helena Senators on Saturday in Bozeman. He had three hits and drove in two runs on the day, and also was the winning starting pitcher in the second game.

American Legion baseball season arrived late to Heroes Park in Bozeman this spring, but when the Bucks' campaign finally got started Saturday afternoon, it was accompanied by a howling, swirling wind.

Bozeman's pitching was also a bit tardy, though it showed up in the second game of a double-header with Helena and allowed the Bucks to salvage a split.

In that game, senior starter DJ Perdaems walked two in the first inning, but bounced back to allow just an unearned run on two hits while striking out five over five innings. That outing and balanced offense powered the Bucks to an 8-3 bounce-back win after dropping the first, 7-4, to the Senators.

"Especially pitching, (the wind) affects your off-speed," Perdaems said. "I didn't think my changeup and curveball were as good as they could have been today if the wind was calm."

The senior also batted third and drove in shortstop Bennett Hostetler twice with a pair of doubles.

Manager Dave Legg said last week he thought the Bucks would be consistent offensively this season, and Saturday showed why. Perdaems and Hostetler provided pop at the top of the lineup, but Bozeman is solid all the way through and uses its top-to-bottom team speed to play small ball.

"We'll be able to do that and swing the bat more traditionally, but also be able to manufacture runs through the year," Legg said.

It happened three different times in the second game against Helena. Morgan Hostetler doubled in Bailey Paddock for a 3-1 lead in the fourth inning before advancing and scoring on an Adam Hubley groundout. The next inning, Tyler Dobie pinch ran for Perdaems after Perdaems doubled in a run and scored on two wild pitches.

In the sixth, the Bucks added an insurance run when Hubley walked, Austin Frandsen executed a perfect hit-and-run, and Alex Ekstrom laid down a safety squeeze bunt.

"Offensively today I wasn't really disappointed with anything that we did," Legg said. "It was pretty good. Helena does a good job of pitching backward, but I thought we made some good adjustments."

Hubley started the opener and struggled, walking seven in 1 2/3 innings. He was charged with five earned runs, and the Senators tacked on two more in the fourth before the Bucks responded with a two-run single from Bennett Hostetler. Ekstrom threw three innings of scoreless relief to keep Helena's offense in check, but Bozeman couldn't mount a comeback.

"I told (Ekstrom) he's going to have better days and just to learn from today," Legg said. "We'll go from there, I think he's going to be fine and I don't think it's going to affect him too much. Pitchers have bad days and today was just one of them for him."

Perdaems, who will try to walk on to the baseball team at New Mexico next year, looked to be headed down a similar path as Hubley when he walked two batters in the first. He settled in, though, and worked through a wind that gusted well above 30 miles per hour and his own early-season rustiness.

"I'm feeling a little tired, and my arm's a little tired, but other than that I'm feeling great," Perdaems said.

Added Legg, "Especially after the first inning he got going pretty good there. Overall, I think he had a real strong performance, so we're very pleased with that."

Bennett Hostetler, who hit a team-best .450 last year, showed very little in the way of rust. He finished the day 3-6, reached base five times, drove in three runs, scored twice, stole a base and made several tough defensive plays.

The North Dakota State commit said this season feels much different than last, as the Bucks return eight of their top 10 hitters and about two-thirds of their starting lineup.

"We're all pretty anxious for this day and excited for it, so it was good to get back out here," the senior said. "We're excited to see where we're at beginning the season."

Bozeman is slated to host Great Falls for a double-header today, though the forecast calls for chilly temperatures and rain through the day. The Bucks are already behind much of the state, as Helena has already played eight games.

"I sure hope (we get them both in) because I'd really like to keep playing," said Legg, whose team had its Tuesday opener against Belgrade thwarted by a snowstorm. "The weather doesn't look real good, but maybe we'll get lucky."

BUCKS BLOW OUT BANDITS: Bozeman's first four runs Tuesday night against Belgrade came with two outs.

The rest was just an onslaught.

The Bucks pounded out 12 hits, drew eight walks, took advantage of six Belgrade errors and scored in all but the final frame of a seven-inning, mercy-rule-shortened 15-2 victory.

The Bozeman offense produced as if it was in midseason form despite inclement weather nixing three of its first five games. The Bucks were supposed to host Belgrade to open the season, but traveled the short trip down I-90 Tuesday and hardly suffered.

Bandits starter Jared Jacks retired the first two, but Bozeman still scored a pair. DJ Perdaems walked, Bailey Paddock singled and Andrew Purpura did the same. Perdaems and Paddock each scored on that hit thanks to an errant throw.

"Any time you can put runs on the board with two outs, it's a thing that you need throughout the year," Bozeman manager Dave Legg said. "It's good to see us be able to come through early in the season."

The Bucks (2-1) tacked on a run in similar fashion in each of the next two innings before erupting for seven in the fourth. In all, they tallied eight runs on seven hits and six walks against Jacks before he gave way to Jake Klonsinski.

"Their left-handed pitcher (Jacks) is typically a guy that can give you trouble and change speeds and hit his locations," Legg said. "We did a much better job against him tonight than we have in the past in making him get his off-speed pitches up. I was pleased with that and our plan at the plate."

Jake Murfitt drove in Paddock with a two-strike, two-out single in the fourth and led the club with three RBIs.

Bennett Hostetler, Morgan Hostetler, Purpura and Adam Hubley each drove in a pair.

Thomas Morris started for Bozeman and pitched three innings — Belgrade picked up its only runs in the third when Trey Mounts tripled and scored, and PJ Stump scored on an error — before Morgan Hostetler relieved him.

"I thought (Morris) threw the ball really well," Legg said. "He hit a couple guys there, and I think one of them, he had two strikes on the guy. That's a little bit of a disappointment, but overall, I thought he threw the ball pretty well."

Legg had planned on sending Morris out for the fourth, but Hostetler was warming up in the bullpen. When the Bucks scored seven in a long frame, the manager decided he'd put the younger Hostetler in early.

He threw three scoreless innings, allowing just one hit and a walk while striking out two, and Ryan Evenson closed the game by striking out two in his lone inning of work.

"He was down in the strike zone, jumping ahead early, which was great," Legg said.

Mounts reached three times for the Bandits, tripling and walking after being hit by a Morris pitch to lead off Belgrade's opening at-bat. Connor Clay had two singles, but just two other Bandits recorded hits.

"This is kind of what I foresaw the team being capable of doing even before we started playing," Legg said. "I think we're going to be able to swing the bats and play really good defense. We've got some really athletic baseball players out on the field. We've got a good mix of players, shake the lineup up, move people in and out and not lose a lot.

"We're going to go how our pitchers go," Legg said. "From what I've seen from the guys that have thrown the ball early, I think we're going to be OK there. I think they have a lot of confidence in themselves."

The Bucks return to action Thursday night against visiting Butte.

"I'm looking forward to the rest of this week and getting some games in and kind of build from what we've got going right now," Legg said.

SPIKES COAST AGAINST BANDITS B: Bozeman plated five or more in three innings — including eight before recording a second out in the fourth — and logged 18 hits in a dominant 20-3, mercy-rule-shortened home affair.

The Spikes (4-2) have outscored Belgrade 38-6 in two contests this spring.

Koby Scala and Jackson Wade led the way with three hits and four RBIs apiece. Aidan Jarrett drove in three for Bozeman, which led 7-0 after two innings and was never tested in a seven-inning affair.

Scala struck first with a first-inning sacrifice fly, and then plated one with a triple during the Spikes' six-run second. He would later scamper home on one of the Bandits' four miscues.

Belgrade momentarily trimmed its deficit with a bases-loaded walk from Isaiha Brandhorst and two-run single from Joey Ferguson to open the fourth, but Bozeman put things out of reach with eight in the bottom of the frame, five courtesy of doubles from Scala and Wade.

Wade added a two-run single in the sixth for the Spikes, who had five with three hits.

Golf

THREE FORKS GIRLS IN CONTROL AFTER DAY 1 OF STATE: Jeff Strickland knows the makings of a great team.

The longtime head coach presided over eight state championship teams from 2001-10. The Wolves haven't topped the Class B podium since, but they are closing in on another crown.

There aren't any seniors on the squad, which leads its nearest comeptitor by 25 strokes at Billings' Eaglerock Golf Course after Tuesday's first round. Three Forks's top two are fifth and sixth, but its individual standings don't matter, Strickland asserted.

"Every single one of them will tell you that the team title is far more exciting to them and far more important to them than the individual accolades," he added. "We've had quite a few teams in the past — real dominant teams — and individual things were important, but they enjoyed the team title far more. This is truly one of those teams that feels that way."

Shainey Mack's 85 and Sydney Rockford's 86 lead the Wolves, who tallied 364. Shelby (389), Roundup (397), Thompson Falls (398) and Ronan (406) rounded out the top five.

"They actually did what they've been doing pretty much all season," said Strickland, who's team went 9-0 during the regular season. "They had a good day. We were very happy with them and proud of them. ... We have to put this second day together. I think if we can shoot somewhere around where we did today, we will do well."

Mariah Marquez (91) and Makayla Rowan (102) completed the scoring.

Each golfer had one or two holes where they struggled. Mack had one brutal hole on the back nine, but recovered with four straight pars, a bogey and a birdie. Rockford triple-bogeyed a par 5 and had a handful of putts settle on the edge of the cup.

"She wasn't real pleased with her round because she said she left a lot of putts out there," Strickland said. "She's pretty hard on herself. We were really pleased with an 86 out of her, which just means there's a lot of room for improvement."

Strickland added that this squad does not feel that it's tasked with returning the championship to Three Forks. Instead, it's keeping its focus on the present.

"I think they wanted to develop their own identity, and that's been real important," he said. "They learned from the leadership in front of them ... and they are very aware of those players and teams, but this is one of those things that this is our team and we are going to build our own identity."

PETER, MANHATTAN BOYS IN CONTENTION AT CLASS B TOURNAMENT: Head coach Pat Lynch and his squad are in the complete opposite position as last year.

The Tigers are chasing after Day 1 of the Class B state tournament at Huntley's Pryor Creek Golf Course. They led by nine strokes heading into the final round last season, but settled for second.

"That was pressure on us knowing people were chasing us," Lynch recalled. "Tomorrow will be very interesting team-wise. It will be fun to see how teams are handling it."

"We're in a good spot. Nobody is shooting for us."

Manhattan is fourth, seven strokes behind leader Shelby (325). Bigfork (327) is second and Colstrip (329) third.

Defending champion Joey Peter is fifth after opening with an even-par 71. Bigfork's Jason Potkonjak and Libby's Ryggs Johnston posted 68s to pace the field.

"He looked solid," Lynch said of Peter. "We talked on the way out here about the stage you're on, and he said he doesn't get nervous. He was just taking care of his game and he was very much in control."

The coach said his senior missed a couple short putts, but otherwise had a clean round.

"Joey hasn't had statistically the best year. He's been shooting it higher than he would prefer," Lynch added. "He's been anticipating the bigger stage and preparing himself mentally. His mind is very strong."

Josh Neth carded 83, Steven Cantalupo 88 and Nathan Van Dyke a personal-best 90.

"(Van Dyke) is really coming on strong, to be honest," Lynch said. "We got some good scores out of the top two that I half expected. I'm very proud of them today."

Bozeman shortstop Bennett Hostetler reached base five times and scored four runs as the Bucks topped Butte on Tuesday night at Heroes Park.

DJ Perdaems' start lasted just two innings Tuesday night because the senior had to leave Heroes Park, dash to Bozeman High and sing in a choir concert.

Friend and fellow senior Bennett Hostetler ensured those in attendance for this makeup game between the Bucks and Butte also witnessed an impressive performance.

The North Dakota State signee reached base in each of his five plate appearances, wreaked havoc on the base paths and played sparkling defense in the hosts' 9-4 victory.

"He's definitely worth the price of admission," manager Dave Legg said. "There's a reason he's a Division I baseball player. He's getting better every time he goes out."

It was a relief for Bozeman (3-1) to just be at the ballpark. Seven of the Bucks' first 10 games have been rescheduled or canceled because of bad weather, including four home contests. This one was originally slated for May 19, but rain and wind forced a postponement.

The Hawks' standout shortstop immediately set out to make up for lost time.

Hostetler made two impressive defensive plays up the middle, first cutting off a ball in front of second base and making an off-balance throw to cut down Nate LaProwse in the third inning, and then ranging behind the bag on a line drive in the fourth; his ensuing throw to first carried him into short right-center.

"I haven't seen many people in a long time be able to do that," Legg said. "Every time he makes a play like that I get up and give him a clap and he just shrugs his shoulders."

Legg said Hostetler has good range going toward third, but is exceptional up the middle, which allows him to shade toward the hole and still make plays.

"So when you see him make a play up the middle, he's going a really long way to do it," Legg added.

Added Hostetler, "You've got to read the spin on the ball because a lot of those are cue balls or off the handle. You've got to be ready for a weird hop, you've got to focus and then set your feet and throw it."

Hostetler also did damage at the plate, helping manufacture three runs and generally taking whatever he wanted on the bases. He reached five times — single, double, two walks, hit by pitch — scored four runs, stole two bases and drew rave reviews from a dugout that's become accustomed to his exploits.

"He continues to 'wow' when he's at shortstop," junior Adam Hubley said. "I'm thankful he's my shortstop, and I'm not sure there's a lot of guys in the state that can do what he does. I like being his first baseman and I love having him behind me when I pitch."

Hostetler was looking to run every time he reached base, including the final time in the eighth, when he was picked off.

"I just try to be as aggressive as possible," he said. "For one, you can get in the pitcher's head and maybe he makes a bad pitch, a better pitch for the hitter. Two, I use my speed to my advantage and take as many extra bases as I can."

Still, the Bucks have scored at least nine in three of their first four games and Tuesday night pieced together a solid pitching performance with a staff effort.

Morgan Hostetler followed Perdaems with two innings of one-run ball, Hubley got through two on 23 pitches and Thomas Morris and Ryan Evenson each pitched in with an inning.

"It's been way too long — I've been waiting to get out since I've had two starts pushed back," said Hubley, who was sharp after giving up seven walks in a loss during the Bucks' opener earlier this month. "That was a big improvement."

Bozeman next plays in the Missoula Memorial Day Weekend Tournament, which made this night a good one to get as many guys playing time as possible. Bailey Paddock drove in two runs on three hits, and Hubley and Robert Samson added two hits apiece.

“For how we had to plan (the lineup and pitching staff), it went about exactly to plan,” Legg said. “With the tournament coming up it was a huge benefit tonight.”

Bucks Head Coach: Dave Legg

Dave Legg comes to the Bozeman Bucks program after long, successful tenures in the Division I college and California high school ranks. Legg played for two seasons at San Diego Mesa Junior College before transferring to San Diego State. He began his coaching career with the Aztecs after one season as a player, learning under legendary head coach Jim Dietz. In 1987 he joined Bill Kinneberg's staff at Wyoming, helping lead the Cowboys to one of the program's most successful periods ever.

After returning to his native California he was an assistant at Linfield HS in 1993-94 and at Temecula Valley HS in 2000 before taking over the Vista Murrieta HS program from 2002-10. He finished his California prep career as an assistant at that school in 2011. As the head coach at Vista Murrieta, Legg led his squad to the 2006 CIF Division 3 title game in Anaheim Stadium and the 2007 Division 2 championship at Dodger Stadium. He was the Press Enterprise and California Newspaper Coach of the Year in each of those seasons, earning CIF and LA Times Coach of the Year honors in 2007. Legg coached in the Riverside East-West All-Star Game twice, and led his team to Southwestern League championships in 2006 and 2008.
